Reference: Amended 12 Day Pre-General Report (10/1/08 – 10/15/08), dated 2/23/09

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

We have conducted a thorough review of the activity in question. In a few instances we discovered duplicate transactions in our database. In particular, as is typical in the days before an election, there were multiple wire transfers for media. We discovered that two of these wire transfers were mistakenly entered and reported twice. The amount of these two transactions accounts for nearly all of the change in activity. Due to the timing of the original report, we did not have a bank statement with which to reconcile before filing. Once we had that information in hand we were able to ensure that we had all activity accounted for and were able to reflect accurate numbers for the period, which we did in the amended report.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,

Paul Kilgore, Assistant Treasurer
Jim Risch for U.S. Senate Committee
